1. I love you and give you Me, all of Me; My wants, aspirations for My people. Heart-throbs. What I'm doing and why, wherefore and therefore all out in the open to ponder, consider and decide. I love you.

Into Me the seen, a thousand generations, yes and amen.

Mine and no one ever taking from Me again. Amen.

A thousand generations and who can save Me, save Me? No one.

All out in the open and all known and mystery finished.

God and man complete. I love you.

2. **Taking My name to a far country, I am you are, we are, for you are Me'd and Me'ing others past midnight not, before.** All comes to an end not, just the shift of balance and all things light is on. I love you.

3. Security-driven go crazy; entrepreneurship supreme.

4. I rest My case, I rest My gavel; you are a priest in the order of Melchizedek and take back not a word of elevation escalation. Love professed and true, tangible, and empirical.

5. Into Me see the seen, the seen being, **the being seen of My love, power, personified on display to draw all men unto Me, the Christship I have given them, offered.** They must choose. All choose. Every day, all day and forevermore, choice. I love you.

6. A new day. A new song. A new dawning, of a new song, a new day, and all is well with My soul, yours, in your hands.

7. Thou art before Me at all times.

My mind given, received; wholly almost.

8. Who giveth this man to be this bride?

9. Who comes in the name of the Lord? Hosanna, Hosanna, Hosanna. Blessed is he who comes in the name of the Lord.
